Mukechi & MKT — API data requirements

JAN International · 2026-11-04

API access (for your side)

Provide a **REST API** (JSON over HTTPS) that returns the fields below — same data as your current Excel exports. Use **TLS 1.2+**. Authentication: API key, Basic Auth, or OAuth2 client credentials (whichever you already use is fine). Document base URL, auth method, and how to list/fetch records (e.g. by date range or batch id).

1. Mukechi — vehicle data

One record per vehicle (key = chassis). **All fields below are required**, except Standard Features.

Required fields

Field	Type	Meaning
chassis_no / CHASSIS NO	text	Vehicle identity
maker / MAKER	text	e.g. TOYOTA
model_code / MODEL CODE	text	Model code
model / MODEL	text	Model name
purchase_date / PURCHASE DATE	date	Purchase date
auction_no / AUCTION NO	text	Auction number
auction_company / AUCTION COMPANY	text	Auction company
purchase_company / PURCHASE COMPANY	text	Purchase company
exhibition_no / EXHIBITION NO	text	Exhibition number
mukechi / MUKECHI	text	Mukechi reference
color / COLOR	text	Exterior colour
mileage / MILEAGE	text/number	Mileage
price / PRICE	number	Purchase price (JPY)
days_since_purchase	number	Days since purchase
loaded_docs_status	text	Loaded docs status
territory / TERRITORY	text	Territory
bid_by / Bid By	text	Bid by
highest_bids_remarks / Remarks	text	Remarks / highest bids notes
manufactured_year	text	Year
engine_code	text	Engine code
engine_cc	number	Engine CC
drive_type	text	2WD / 4WD etc.
transmission	text	MT / AT / CVT / …
fuel_type	text	Petrol / Diesel / …
steering	text	Right / Left
doors	number	Doors
seats	number	Seats
grade_class	text	Grade / class
interior_color	text	Interior colour
m3	number	Cubic metres (M3)
stock_id	text	Stock ID

Optional — Standard Features (only if available)

Feature	Type	Meaning
power_steering	yes/no	Power steering
power_window	yes/no	Power window
power_mirror	yes/no	Power mirror

Feature	Type	Meaning
am_fm_radio	yes/no	AM/FM radio
navigation	yes/no	Navigation
tv	yes/no	TV
ac	yes/no	A/C
push_start	yes/no	Push start
key_start	yes/no	Key start
rear_spoiler	yes/no	Rear spoiler
abs	yes/no	ABS
alloy_wheel	yes/no	Alloy wheel
air_bag	yes/no	Air bag
fog_light	yes/no	Fog light
spare_tyre	yes/no	Spare tyre
sunroof	yes/no	Sunroof

2. MKT Statement — invoice / shipment data

Same content as MKT Statement Excel: invoices, cars, containers (or RORO), Japan-side charges. Match vehicles by chassis (from Mukechi).

Invoice header

Field	Type	Req	Meaning
invoice_no / INVOICE NO	text	YES	Supplier invoice number
invoice_date / INVOICE DATE	date	YES	Invoice date
bl_sw / BL / B/L	text	YES*	Bill of lading (*when available)
shipment_type	text	YES	container or roro

Cars on the invoice

Field	Type	Req	Meaning
chassis_no / CHASSIS NO	text	YES	Chassis (match Mukechi)
car_price / CAR PRICE	number	YES	Car unit price
stock_id / STOCK ID	text	YES	Stock ID
container_no	text	YES	Container no. (or RORO)
color / COLOR	text	YES*	Colour if on statement
bl_sw	text	YES*	Per-car BL if different

Container / RORO charges

Per container or one RORO block. Usually JPY. Use 0 if not applicable.

Field	Type	Req	Meaning
container_no / CONTAINER NO	text	YES	Container id or RORO
cars / CARS	number	YES	Cars in container
car_value / CAR VALUE	number	YES	Cars value total
cont_price / CONT. PRICE	number	YES	Container price
cont_other_value	number	YES	Cont. other value
total / TOTAL	number	YES	Line total
thc / THC	number	YES	THC / shipping
forwarding / FORWARDING	number	YES	Forwarding
freight / OCEAN FREIGHT	number	YES	Freight
inspection / INSPECTION	number	YES	Inspection
jpn_expense / JPN EXPENSE	number	YES	Japan expense
repair_cost / REPAIR COST	number	YES	Repair cost
car_expense / CAR EXPENSE	number	YES	Car expense
vanning / VANNING	number	YES	Vanning
transportation	number	YES	Transportation
freight_and_other	number	YES	Freight & other
inv_other_charges	number	YES	Invoice other charges
